**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic internet because it allowed me to pay only for the features I want and pay less at the same time. I would NOT be able to afford this level of service and speed if it wasn't for them!  
Please don't limit broadband competition. Doing so would be a great disservice not only to consumers like myself but small business as well. Thank you!
